

Trustee Alexander Brown

Ward 12, Willowdale

Welcome to the 2017-18 school year.

My name is Alexander Brown. I am proud to represent you and your family at the Toronto District School Board.

As your school Trustee, I am here to keep you informed and involved with all aspects of your child's education. It's important that we get to know each other and communicate often.

Throughout the year, I make an effort to meet people at school council meetings, special ward forums and student events. I'm always available to meet face-to-face and talk about your ideas and concerns. Your feedback influences decisions I make about policy, finances and programs at the TDSB.

In this letter, I've provided some relevant back-to-school news and a link to a webpage with key information and resources including homework tips and the school year calendar. Learn more at www.tdsb.on.ca/needtoknow ... And for detailed updates, you can sign up for my Monthly E-newsletter at www.tdsb.on.ca/ward12/Ward12.aspx. It contains a wide array of information about the TDSB, important notices and ways to get involved. I also encourage your submissions – stories, opinions and ideas – that I will include in the newsletter each month.

Finally, if you want to gain a better understanding of our education system and ensure your voice is included on issues like Special Education, transportation and equity you should think about joining a school council, a board committee or volunteering in some other way. As parents/guardians, you are the best advocates for your children's education. . . I'm happy to provide more information and help you get started. You can also contact your school or visit the TDSB website at www.tdsb.on.ca.

Remember... "Education is a shared experience between dedicated teachers, motivated students and enthusiastic parents with high expectations"(American politician)... I'm here to help meet those expectations. Thank you and I look forward to working in partnership with you this year.

Alexander

Did You Know...?

Improving Access to School Bus Information for Toronto Parents

Beginning this year, TDSB parents/guardians with children who are transported by school buses can now access their children's transportation information online and receive email notifications if there are any school bus cancellations or delays, thanks to the launch of a new online transportation portal. GPS technology on all buses will be used internally between the bus operators and school boards at first, but this information will eventually be rolled out to all parents – hopefully within the next year or so. For more information and to register for the new services, please visit www.torontoschoolbus.org and select "Parents" from the top right hand corner of the screen. The portal is one of several improvements being made to transportation services to ensure an effective start to the 2017/18 school year.

Tackling Overcrowding in Schools - It's time to do something about it!

Last June, I met with Education Minister Mitzi Hunter about the growing concern over overcrowded schools in Willowdale. We discussed sources of funding including Education Development Charges (EDCs) from new residential developments. The Ministry does not support using EDCs to build and expand schools but parents in Willowdale are asking that something be done to address overcrowding, the growing use of portables and the lack of long-term funding for school infrastructure. **Minister Hunter has agreed to hold a meeting with Willowdale parents on October 30th, 2017 to provide details about the government's plan for funding. SAVE THE DATE!!** The Ministry has NOT confirmed the location or time yet. I will soon inform everyone once a time and location are confirmed. With a provincial election next June, we are looking for solutions not promises. Feel free to contact the Minister of Education directly **Tel: 416-325-2600 Email: mhunter.mpp.co@liberal.ola.org**. **I will also keep you informed about the date with a special announcement.** For more information about EDCs go to: fixourschools.ca/tag/education-development-charges

Have Your Say. . . Education Accessibility Standard - Online Survey

Addressing barriers that prevent students from meeting their full potential is the goal of the new Education Accessibility Standard that the Ministry of Education is committed to developing. Fully accessible schools go a long way to addressing an equity issue that has been neglected for too long. I fully support the Ministry's initiative to create more accessible schools and I look forward to hearing from you about it. Approximately 2500 people have already shared their feedback through an online survey. Please take the time to **consider some of the accessibility challenges at your child's school and complete the survey** before OCTOBER 16th, 2017. Feel free to share that information with me as well. Please use the following links to access the survey: English: www.surveymonkey.com/EducationSurveyEN French: fr.surveymonkey.com/SondageAccessibilite. Street Smarts Traffic Safety Poster Contest

Student Safety in school zones is a big concern for all of us. Traffic is a constant threat to safe school zones. I am inspired by the vigilance and efforts of school councils in Willowdale to find local solutions. They've got their work cut out for them!! This year, I plan to promote their efforts and get more students involved.

That's why I'm launching a **Street Smarts TRAFFIC SAFETY POSTER CONTEST** for all students in Grades 1 to 12 in three categories. The winning posters will be used throughout Willowdale schools and will be awarded at a special Traffic Safety Forum to be held on October 21st (Saturday) at Earl Haig Secondary School. 10 am - 1 pm. For **CONTEST DETAILS** go to www.tdsb.on.ca/ward12/Ward12.aspx or ask your teacher or principal. Have fun making streets safer.

Throughout the year, I will be working with school councils to plan other traffic safety initiatives, special community meetings, and guest speakers on road safety in school zones. I hope I will see you there.

Take a look at the City of Toronto [Vision Zero Road Safety Plan](http://www.toronto.ca). Go to www.toronto.ca

I highly encourage parent/guardian participation as an important aspect of every student's education. There are many ways for you to have an influence at all levels.
