Toronto, ON M2N 5N8

Friday, September 30, 2016

Dear parents and neighbours,

Welcome back to the school year of 2016-2017. For the new school year, our vision is to create equitable learning environments for all to close the gaps and raise the expectations.

Of particular interest to parents and guardians, our goal is that we support students in our schools so that we are serving them effectively. If issues arise and parent/guardians have concerns, the principal feels supported to work through these concerns. If the concern continues to exist, our superintendents have the ability to consult, collaborate and listen, and then resolve the issue in collaboration with the parent, principal and the trustee.

We believe the Learning Centre Strategy will support everyone more effectively because of the relationships that will form through the centres between system staff, school staff, parents/guardians, communities and trustees. On October 13th, Executive Superintendent Karen Falconer will be at the meeting to present information about the newly structured Learning Centres and especially Learning Centre 2 where our schools are a part of.

Please also come and share with us the plans and ideas you have for your school for the new school year.

Sincerely,

A handwritten signature in cursive script that reads "Manna".

YOU'RE INVITED!

WARD COUNCIL MEETING

A regular meeting of parents, school community members, Trustee
and Board staff of schools in the ward.

THURSDAY, OCTOBER 13, 2016
