Dear parents and neighbours,

I hope you have had a joyful time with your family and friends during the holiday season and your new year is off to a great start. I am inviting you to my Ward Council Meeting to discuss and address issues at your schools, to talk about parent involvement and ways to effect changes at the Board. Superintendents of Education and I will be sharing the latest Board information and other program updates. School council chairs and co-chairs please bring forward issues that affect your schools.

At the meeting, we will be electing new parent representatives to represent Ward 20 on the Parent Involvement Advisory Committee ([PIAC](#)), and the French as a Second Language Advisory Committee ([FSLAC](#)). If you're an interested parent who would like to interact directly with trustees and senior staff at the Board providing us with your best advice, please forward me your name to be included in the ballot. It's important that our Ward is represented at the table.

See you on the 16th,

Manna
