*

Ward 4 Trustee

Stephnie Payne
(416) 397-2441

Superintendent

Glenford Duffus
(416) 394-2030

Director of Education

Chris Spence

OUR SCHOOL

C.W. Jefferys Collegiate Institute is named after the artist whose work has contributed much to education in the areas of Canadian History and Art. His legacy continues in the school's award winning Visual Arts Program that attracts talented students from the northern region of the Board.

Jefferys takes pride in its strong curricular and co-curricular programs. To compliment our vibrant Arts programs, we have introduced ESTeM, a program of excellence designed to stimulate and challenge students through a project based, hands on, exploratory approach to the Sciences, Mathematics, and Computer Technology.

Our students excell in all areas of academic pursuit, consistently ranking among the top winners in mathematics and science competitions. Each year, our students are the recipients of numerous bursaries and entrance scholarships to some of the province's top colleges and universities. Our post-secondary acceptance rate is a noteworthy 80%.

Our staff and students are leaders in co-curricular activities. Complimenting a proud tradition of championship teams are extensive opportunities for all students to enjoy extra-curricular participation. Our intramural programs, clubs, teams, bands, and student council activities flourish in an environment that recognizes and promotes student leadership skills. And our Peer Tutor and Peer Leadership programs provide wonderful opportunity for students to develop their problem-solving and communications skills.

C.W. Jefferys is a true community school. We welcome and celebrate the unique talents of our students, our parents, and our community partners in an environment that is safe, secure, respectful and always focused on success for all students.

Special Features

- ✦ ESTeM Enriched Science, Computer Technology and Mathematics Program
- ✦ Specialized Visual Arts Program offered in state-of-the-art facilities by an outstanding teaching staff who are practicing artists
- ✦ Strong technological thrust in all subject areas supported by cross-curricular and dedicated comptuer labs in Mathematics, Science, Visual Arts, Business, and Computer Studies
- ✦ Student Success initiatives supporting "at risk" students through our ACE program (students attend and get University/College credits), Stay Connected (Ministry funded learning to 18 project), Co-op/Continuous intake Co-op, mentorship programs, and our followly developed credit recovery/rescue program.
- ✦ Solid community partnerships that focus on inclusion and safe schools initiatives

OUR STUDENTS (As of spring 2008)

	<u>No.</u>	<u>Percent</u>
✦ Total number of students:	834	
✦ Gender:		
Female	425	51%
Male	409	49%
✦ Primary language other than English:	456	55%*
✦ Students born outside of Canada:		
Students living in Canada for 2 years or less	64	8%
Students living in Canada for 3 - 5 years	74	9%

* Calculation does not include students for whom language information is missing.
