OUR SCHOOL

"felix qui potuit rerum cognoscere causas"

Happy is the person who has been able to learn the reasons for things.

Established in 1892, Humberside Collegiate Institute's architecturally significant building sits in one of the most beautiful settings in the T.D.S.B. Just as Humberside has had strong foundations in the High Park community for 115 years, so too are its foundations strong in academic excellence and tradition.

The school offers a challenging program which develops critical thinking skills and provides opportunities for growth through independent and group learning. Humberside is committed to assisting students to become responsible, capable, and caring citizens with a lifelong curiosity for learning and a desire for excellence. Over the past two years, Humberside has introduced several new senior-level Interdisciplinary Studies courses in Archives, Biotechnology and Media Studies. Humberside provides diverse extra-curricular programs for students. For students interested in the Arts, participation in musical theatre, concerts, drama productions, The Garnet (the student newspaper), and Hermes (yearbook) provide venues for student creativity. A wide variety of individual and team sports for both men and women, as well as intramural programs, provide opportunities for students to pursue athletics.
