b. What do you dislike the most about the model?

c. Questions/ Comments/ Suggestions?

Make Melody Village the French Immersion site
Introducing French I- to Elmbank after redirecting Queen's Gate students to Albion Heights would leave Elmbank with a potentially problematic dynamic between the "Jamestown" demographic immediately around Elmbank and the French Immersion

demographic coming in. It may not be the best fit. Also, how will this ~~leave~~ ~~the~~ dynamic affect the positive buzz in the community as in the Elmbank quarters.
