

February 2, 2024

Dear Parents/Guardians/Caregivers and Community Members,

This letter is to update you about the attendance boundary changes for Wedgewood Junior School and West Glen Junior School.

On January 31, 2024, the Board of Trustees decided that the attendance area for West Glen Junior School be expanded to include the portion of the Wedgewood Junior School attendance area that is located west of The East Mall, south of Burnhamthorpe Road and North of Bloor Street West. This attendance boundary change applies to students seeking admission to these schools for September 2024.

The Board of Trustees also approved that a group of students be exempt from this attendance boundary change. The Board approved that all students who live in the portion of Wedgewood Junior School's attendance area described above and attend Wedgewood Junior School as of the end of the 2023-24 school year be allowed to remain at Wedgewood Junior School until they graduate.

However, this exemption does not apply to the younger siblings of these students who have not started attending Wedgewood Junior School yet. Younger siblings will be subject to the attendance boundary change and will have West Glen Junior School as their designated home school. If a family residing within the boundary change area wishes for their younger child to attend the same school as their older child, both can be accommodated at West Glen Junior School.

We would like to thank all the parents/guardians/caregivers and community members who dedicated their valuable time by participating in the consultation process and attending the virtual public meeting.

If you have any questions, please contact your Principal and/or Superintendent.

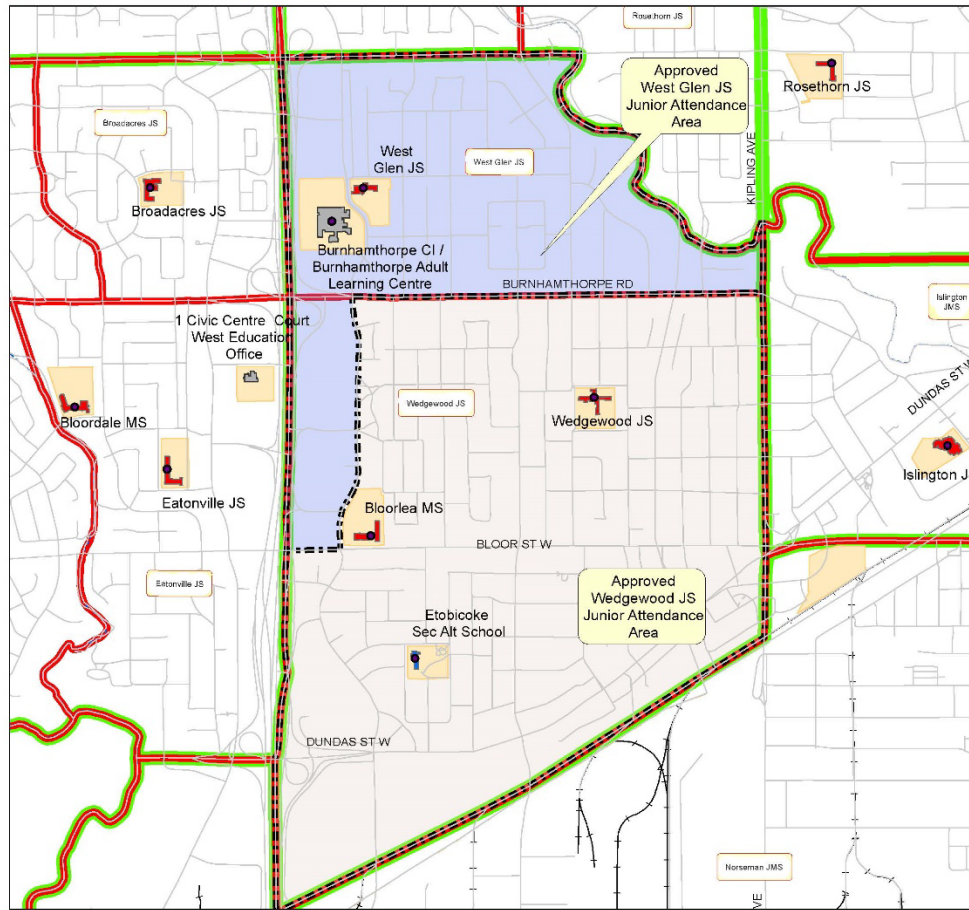

Sincerely,
