1 - Total school capacity based on TDSB room use

2 - Total enrolment - total head count enrolment

3 - Utilization total enrolment divided by school capacity

4 - Available spaces based on Capacity minus enrolment

5 - Projections are based on 2014 enrolments (2015-16 projection cycle)

 = not consistent with System Accomodation drivers for Utilization or portables

How do we solve this Problem?

Program Area Review Team (PART)

- **Includes Trustee, Principal and Parent Reps from all schools**
- **The PART reviews the data and discusses impacts**
- **Considers possible solutions**
- **Hears from the broader community through Public Meetings**
- **The role of PART is advisory--it makes recommendations to inform the staff and the Board**
- **Based on recommendation from PART the Superintendent prepares a report to bring to Senior Staff**
- **Report goes to the Director and the Board of Trustees for Approval**
- **Timing on any changes would depend upon if/when report is approved by Board**
