

Make The Connection®

A Free Program for Parents and Toddlers from 1 to 2 years

Learn more about connecting with your toddler in ways that:

- make your toddler feel loved
- make your toddler feel safe to explore and learn
- build toddler language

Meet other new parents and find out
about services in your community.

Groups meet with a Public Health Nurse once a week for 9 weeks.

Register at **tphbookings.ca**

Make The Connection® is a program developed by First Three Years (2003)
