OUR SCHOOL

Glen Ames Senior Public School was built in 1961 and named after A. E. Ames who was the wealthy owner of the Glen Ames estate on Glen Stewart until his death in 1934. It is located south of Kingston Road and north of Queen Street in the heart of what is locally known as 'The Beach'.

- ✦ Glen Ames Senior Public School is a triple-track senior school with students in Grades 7 and 8. We offer programs in Core, Extended, and Immersion French. Glen Ames students in all three tracks have access to a range of Special Education programs.
- ✦ All students have a homeroom program, which includes Language Arts, History, Geography, Drama, and Visual Arts, and Mathematics or Science.
- ✦ Rotary subjects include: English or French language (opposite to the homeroom program), Mathematics or Science, Health and Physical Education including Aquatics, Music (with a focus on guitar), and Information Technology.
- ✦ All students have scheduled opportunities to acquire and develop computer literacy skills in the library as well as in classroom applications.
- ✦ Our facilities are shared with Williamson Road Junior Public School during the day and with The Beaches Recreation Centre during the evenings and on weekends.
- ✦ The Glen Ames School Council meets almost every month and forms an integral part of life at Glen Ames.
- ✦ Glen Ames Senior School is a caring and nurturing environment. Consistent application of Safe Schools strategies and guidance initiatives, including Codes of Behaviour and Dress, developed by the entire school community, helps to maintain a safe and secure environment. Students work closely with staff advisors and administration as they continue their development in becoming increasingly more informed and responsible individuals.

Information about the success of our programs comes from a wide variety of student assessments. These assessments are based on clear expectations for all learners, consistent with those described in *The Ontario Curriculum*.

The primary purpose of student assessment is to improve learning. Assessment has the greatest potential to improve learning when it is an integral part of classroom activities. Teachers assess student progress towards achieving the expectations on an ongoing basis by using strategies such as projects, class presentations, homework assignments, classroom observations, portfolios of student work, and tests.

Schools use assessment information and information from other sources to make informed decisions for school improvement planning. Schools identify areas of strength as well as areas that require improvement. Input is obtained from a variety of sources such as student assessments, teacher feedback, parent feedback, and community surveys. In this way, schools monitor, celebrate and improve their efforts in providing a supportive and challenging learning environment for all their students.

WHAT OUR SCHOOL IS PLANNING FOR THIS YEAR

The Glen Ames staff continues to develop and implement initiatives and topics based upon The Ontario Curriculum. Alternate resource materials are being utilized as guidelines for the Aquatics program.

School Improvement Plan

The Glen Ames Sr. P.S. staff, in consultation with our School Council, will work collaboratively to focus on many school improvement initiatives, including:

- ♦ the collection of literacy data to determine areas of strength and areas for growth and development
- ♦ the identification of goals, standards, targets, planned actions and performance measures,
- ♦ staff training/development in accordance with identified needs
- ♦ curriculum teams to meet regularly to develop programs and strategies to enhance achievement
- ♦ character development initiatives and strategies to empower students in dealing with the complexities of learning and life
- ♦ staff training in Guidance programs
- ♦ improved skills in literacy and numeracy
- ♦ increased leadership opportunities for students
- ♦ Student Council - executive and class representatives will help plan special events, student outreach programs, and student and community support programs to develop leadership skills and enhance citizenship
- ♦ increased yard and street safety
