Enrolment and Waitlist Including Applicants and Siblings

- Applicants refers to the number of parents who applied within the deadline for enrolment
- Siblings refers to the number of students who gain automatic entry to the program because of their sibling status
- Registrations refers to the number of students whose parents have accepted a registration in the program
- Waitlist refers to the number of students waiting admission to the program. In some instances, parents inform staff that they do not wish to register their child in a program after application. As a result, waitlist numbers will appear lower.
