

Guidance and Career Education

GLE30/409

Advanced Learning Strategies: Skills for Success After Secondary School, Grade 11 and 12, Open

This course improves students' learning skills, preparing them to make successful transitions to work and post-secondary education and become independent, life-long learners. Students will learn how to assess their learning abilities and use critical reading, time management, and other techniques for promoting effective learning. In addition, they will investigate learning requirements for employment and post-secondary education or training and develop plans for learning after secondary school.

Prerequisite: *Students must have an Individual Education Plan and recommendation of Principal*

GLS401

Advanced Learning Strategies: Skills for Success After Secondary School, Grade 12, Open

This course improves students' learning skills, preparing them to make successful transitions to work and post-secondary education and become independent, life-long learners. Students will learn how to assess their learning abilities and use critical reading, time management, and other techniques for promoting effective learning. In addition, they will investigate learning requirements for employment and post-secondary education or training and develop plans for learning after secondary school.

Recommended Preparation: *Career Studies, Grade 10, Open*

GLC201

Career Studies, (0.5 Credit), Grade 10, Open

This course teaches students how to develop and achieve personal goals in education and work and contribute to their communities. Student learning will include assessing their own knowledge, skills, and characteristics and investigating economic trends, workplace organization, work opportunities, and ways to search for work. The course explores post-secondary learning options, prepares students for community-based learning, and helps them build the capabilities needed for managing work and life transitions. Students will design action plans for pursuing their goals.

GWL301

Designing Your Future, Grade 11, Open

This course prepares students to make successful transitions to post-secondary work and education or training. Students will explore the realities and opportunities of modern workplaces, while refining their employability skills and learning how to manage their careers. Students will target appropriate post-secondary education or training options and begin to implement an action plan for post-secondary success.

Recommended Preparation: *Career Studies, Grade 10, Open*

GLD201

Discovering the Workplace, Grade 10, Open

This course provides students with opportunities to discover and develop the workplace essential skills and work habits required to be successfully employed. Students will develop an understanding of work through practical hands-on experiences in the school and in the community, using real workplace materials. They investigate occupations of interest through experiential opportunities (e.g., worksite visits, hearing guest speakers, job shadowing, work experience, simulations, entrepreneurial projects). This course helps students make plans for continued learning and work.

GLC204/5

Exploration des choix de carrière

This course is for Extended or French Immersion. For the English descriptor see Career Studies, Grade 10, Open.

GPP301

Leadership and Peer Support, Grade 11, Open

This course prepares and motivates students to provide leadership and assistance to others in their schools and communities. Students will develop skills in communication, interpersonal relations, coaching, leadership, teamwork, and conflict management, and apply them in roles such as tutoring, mentoring, and student council involvement. Students will also learn the value and complexity of social diversity, while acquiring an appreciation of the importance of contributing to their communities and helping others throughout their lives.

Recommended Preparation: *Career Studies, Grade 10, Open*

GLS101

Learning Strategies 1: Skills for Success in Secondary School, Grade 9, Open

This course explores learning strategies and helps students become better, more independent learners while increasing their personal management skills, both in school and in other contexts. Students will learn how

to develop and apply a range of strategies to improve their learning and achievement, particularly their literacy, numeracy, communication, and planning skills. This course will increase students' confidence, motivation, and ability to learn.

GLE10/209

Learning Strategies: Grade 9 and Grade 10, Open

NOTE: *GLS 100 = GLE 10/209*

This course explores learning strategies and helps students become better, more independent learners while increasing their personal management skills, both in school and in other contexts. Students will learn how to develop and apply a range of strategies to improve their learning and achievement, particularly their literacy, numeracy, communication, and planning skills. This course will increase students' confidence, motivation, and ability to learn.

Prerequisite: *Students must have an Individual Education Plan and recommendation of Principal*

GLN401

Navigating the Workplace, Grade 12, Open

This course provides students with opportunities to develop the workplace essentials skills and work habits required for success in all types of workplaces. Students will explore occupations and careers of interest through participation in real workplace experiences (e.g., information interviews, work experiences). They will make plans for continued learning and work, work with others to design learning experiences, and investigate the resources and support required to make a smooth transition to their post-secondary destination.

GLS104/5

Stratégies d'apprentissage I

This course is for Extended or French Immersion. For the English descriptor see Learning Strategies I-Skills for Success in Secondary School, Grade 9, Open.

NOTE

GLS101 and GLE10/209 are duplicate credits and GLS401 = GLE30/409 are also duplicate credits.
