To: Committee of the Whole

Date: 27 February, 2019

Report No.: 02-19-3598

Strategic Directions

- Allocate Human and Financial Resources Strategically to Support Student Needs
- Build Strong Relationships and Partnerships Within School Communities to Support Student Learning and Well-Being

Recommendation

It is recommended that the Update on the Toronto Lands Corporation – Service Level Agreement be received.

Context

In November 2018, the Board approved a revised Shareholder’s Direction for the Toronto Lands Corporation (TLC). The revised Shareholder’s Direction provided for an expanded mandate for TLC.

As a result of the new Shareholder’s Direction an amended Service Level Agreement needed to be developed that takes into account these changes. The report to Board in November outlined a 90 day period for the new Service Level Agreement to be completed. Unfortunately, due to other issues and staff availability the Service Level Agreement will not be completed until late April or early May. Staff are drafting an outline of the items to be covered in the Service Level Agreement and scheduled a meeting between the two organizations to finalize the items within the Service Level Agreement on 22 March 2019. Following this meeting, Legal Services will draft the Service Level Agreement that will be signed by both organizations.
