Administrative Sites Analysis

Whereas, the Toronto District School Board has many central departments and administrative staff located in many buildings across the city, including, but not limited to 5050 Yonge Street, 1 Civic Centre Court, 140 Borough and 2 Trethewey Drive; and

Whereas, while trustees have received many reports over the past years concerning operating and non-operating school sites, no specific information has been provided regarding the administrative sites; and

Whereas, the rebuild of the York Memorial Collegiate Institute building and the adjacent Trethewey administration site has the potential to re-examine our footprint and possibly create opportunities to consolidate administrative operations and find efficiencies/cost savings;

Therefore, be it resolved:

That the Director present a report in the February cycle of meetings, on all the sites where system and central staff are located/working that would include, but not be limited to:

- i. the location and category of each building,
- ii. a brief outline of the history of the building,
- iii. a description of departments and the number of staff who work in each location;
- iv. advantages/disadvantages of each location including the availability of parking and access to higher order public transit,
- v. the annual operating expenditures for each site,
- vi. the facilities condition index,

- vii. any significant renewal/capital work planned on the site over the next three to five years.
