Use of Outdoor Spaces for Instructional Time

Whereas, outdoor play and learning has been shown to help mitigate the risk of COVID-19 infection as well as support healthy child development;¹ and

Whereas, outdoor play offers critical opportunities for learning, development and well-being;² and

Whereas, access to open outdoor spaces while adhering to public health guidance (e.g., physical distancing, careful and regular hand-washing) has been recommended by Toronto Public Health,³ is important to help maintain both physical and mental health, and is one of the best ways Canadians can increase their defence⁴ against COVID-19;⁵ and

Whereas, during times of crisis, children benefit from play as a means to explore their emotions as well as to make sense of and cope with environmental anxiety, and through this process, develop resilience and build self-confidence to help them navigate life's challenges;⁶ and

Whereas the TDSB has prioritized outdoor learning as part of the 2020 Return to School plans;

Therefore, be it resolved:

- (a) That the Director develop and implement a plan for encouraging and supporting schools to use outdoor spaces for instructional time throughout the day:
- (b) That the plan at Part (a):
 - (i) be based on approaches used in the Outdoor Play and Learning (OPAL) program successfully piloted at TDSB schools;
 - (ii) include support for an initial group of up to 24 schools (6 per Learning Centre) as soon as possible, using an equity lens to determine which schools will be eligible;
 - (iii) include consistent and clear messaging to all schools that helps to remove barriers and supports the use of temporary, low-cost and volunteer-led approaches to the use of outdoor learning spaces;
 - (iv) include collaboration between the Sustainability Office and Outdoor Education in supporting schools with this work;
- (c) The Director provide an update in the February-March 2021 cycle of meetings.
