Access to Free Menstrual Products for Students in Ontario Schools

Whereas, lack of access due to economic factors - often referred to as “period poverty” - impacts people who menstruate around the world and can be especially damaging at puberty, when school interactions are crucial to a student’s development; and

Whereas, one-third of people who menstruate under the age of 25 in Canada struggle to afford menstrual products, and 70 per cent of people who menstruate say they have missed work or school due to their period¹; and

Whereas, menstrual hygiene products are not a luxury product, and are necessary and essential to menstrual health, comfort and participation in work, school and society; and

Whereas, on August 28, 2019 the Board authorized the Director to enter into a partnership with the charitable organization Brands Canada to secure access to menstrual products at no cost to the Board, and decided that free menstrual products be provided in all elementary and secondary schools beginning in the 2019-20 school year; and

Whereas, the TDSB provides free menstrual products to students only at a student’s request, which invades student privacy; and

Whereas, the products currently provided in TDSB schools are funded by charitable organizations, and not guaranteed as a right to students; and

Whereas, the Toronto Youth Cabinet has issued a Joint Statement on Promoting Menstrual Equity in Ontario Schools¹ and has invited all 72 Ontario school boards to advocate for access to free menstrual products;

Therefore, be it resolved:

- (a) That the Chair write to the provincial Minister of Education requesting that the Government of Ontario provide funding for free menstrual products in schools;
- (b) That the Ontario School Boards' Association be copied on the correspondence noted in Part (a);
- (c) That the Director work with schools to ensure students have equitable access to menstrual products in a way that protects student privacy.
