### Context

At the Board meeting on 28 August 2019, staff presented an update on the 2019-20 budget reductions. As part of the report, a link was shared to the Education Finance Information System (EFIS) forms that represent the Board’s budget submission using the Ministry of Education’s templates. The template submitted to the Ministry of Education can be viewed by visiting the following [link](#). The report outlined that staff would be providing an overview of the forms at the next Finance, Budget and Enrolment Committee meeting.

The EFIS forms are divided into four main areas as outlined below:

Areas	Descriptions
Schedules	Classification of Board revenues, expenditures (both operating, capital and enrolments).
Sections	Calculations of Ministry Funding.
Data Forms	Various Data collection for the Ministry of Education.
Appendices	Additional data of staffing, transportation to provincial schools and salary grids.
