

2021-22 Operating Budget Communications: Overview of Communication Supports (Draft)

To: Special Finance, Budget and Enrolment Committee

Date: 25 November, 2020

Report No.: 11-20-3994

Strategic Directions

- Allocate Human and Financial Resources Strategically to Support Student Needs

Recommendation

It is recommended that the report regarding the 2021-22 Operating Budget Communications – Overview of Communications Support (Draft) be received.

Context

The attached draft chart (Appendix A) is being presented to begin preliminary discussions about communications support for this year's budget process with the Finance, Budget and Enrolment Committee. After the discussion, this chart will be updated to reflect Trustee feedback. Given the unpredictability of this year, all dates below are subject to change. Similarly, communications support will be flexible and adaptable as the TDSB works through this year's budget process.

Action Plan and Associated Timeline

Appendix A provides an overview of key dates in this year's budget process and the corresponding communications support being proposed.

Resource Implications

Not applicable

Communications Considerations

As we proceed in the budget process, we will update this plan with a focus on strategic considerations relating to messaging, stakeholder issues management and overall strategy.

Board Policy and Procedure Reference(s)
