## School Year Calendar 2024-2025

To: Program and School Services Committee
Date: 24 January, 2024
Report No.: 01-24-4647

## Strategic Directions

- Make every school an effective school

## Recommendation

It is recommended that the school year calendar for 2024-2025 for elementary, secondary and quadmestered alternative schools be approved.

## Context

Regulation 304 requires that there be a minimum of 194 school days between 1 September and 30 June, including a maximum of ten examination days for secondary schools and a maximum of seven Professional Activity (PA) days. It also establishes the dates for the Winter Break and the Mid-Winter Break.

Each year, the Ministry of Education provides direction to school boards in determining their calendar for the following school year. On January 9 and 15, 2024, a School Year Calendar committee with representative membership (Appendix A) convened to develop recommendations around the 2024-2025 School Year Calendar.

The Key Dates (Appendix B) have been reviewed by the Board's Equity team.

## PA Days

PA days have been designated for curriculum and program review and development, as well as all other professional activities of teachers. Boards are required to include in their 2024-2025 calendars, three PA days in which teachers will engage in professional activities that enhance teacher capacity and maximize student learning in priority areas.

The following dates are the PA Days for elementary and secondary schools. Schools will have seven scheduled PA Days.

|  | Elementary | Secondary |
| :--- | :--- | :--- |
| 1. | 27 September 2024 | 11 October 2024 |
| 2. | 11 October 2024 | 15 November 2024 |
| 3. | 15 November 2024 | 29 November 2024 |
| 4. | 29 November 2024 | 30 January 2025 |
| 5. | 17 January 2025 | 14 February 2025 |
| 6. | 14 February 2025 | 26 June 2025 |
| 7. | 6 June 2025 | 27 June 2025 |

The attached calendars for the elementary and secondary panels represent recommended dates for all schools in the Board (Appendices C - E).

## Secondary School Examination Days

A maximum of ten examination days will be determined by each secondary school in consultation with the School Council, Superintendent of Education, and staff, to identify the most appropriate timeframes for the school.

## Quadmestered Alternative Schools

The Board operates nine alternative secondary school programs that are quadmestered: Burnhamthorpe Secondary School, Yorkdale Secondary School, Emery Edvance, City Adult Learning Centre - Edvance, Scarborough Centre for Alternative Studies - Edvance, North West Secondary Alternative School, Etobicoke Secondary Alternative School, South East Secondary Alternative School and North East Secondary Alternative School. The classes in these schools are scheduled over four quadmesters within the school year. (Appendix E).

## Consultation

Consultation took place with the School Year Calendar Committee members representing areas of the board listed in Appendix A.

## Agenda Page 11

## Consultation with Other Boards

Staff has consulted with the Toronto Catholic District School Board (TCDSB), as well as the Peel and York Region District School Boards, to ensure the most consistency possible with their School Year Calendar plans. It is important that the Board align the calendar as much as possible with the TCDSB because of shared student transportation services.

## Implementation and Review

Students, parents and staff will have sufficient notice to make plans for the 2024-2025 school year following Ministry approval.
