

## **School Year Calendar 2019-2020**

**To:** Program and School Services Committee

**Date:** 20 February, 2019

**Report No.:** 02-19-3592

### **Strategic Directions**

- Make every school an effective school

### **Recommendation**

It is recommended that the school year calendar for 2019-2020 for elementary, secondary and year round alternative schools be approved.

### **Context**

Regulation 304 requires that there be a minimum of 194 school days between 1 September and 30 June, including a maximum of ten examination days for secondary schools and a maximum of seven Professional Activity (PA) days. It also establishes the dates for the Christmas Break and the Mid-Winter Break.

Each year, the Ministry of Education provides direction to school boards in determining their calendar for the following school year. In January, a School Year Calendar committee with representative membership (Appendix A) convened to develop recommendations around the 2019-2020 School Year Calendar.

In consultation with the School Year Calendar Committee, Toronto Catholic District School Board and other neighbouring Boards it was recommended that Winter Break will be scheduled from December 23, 2019 - January 3, 2020.

The Key Dates (Appendix B) have been reviewed by the Board's Equity team.

## PA Days

PA days have been designated for curriculum and program review and development, as well as all other professional activities of teachers. Boards are required to include in their 2019-2020 calendars, three PA days in which teachers will engage in professional activities that enhance teacher capacity and maximize student learning in priority areas.

The following dates are the PA Days for elementary and secondary schools. Schools will have seven scheduled PA Days.

\*PA Day for full-year schools only on 24 June 2020

The attached calendars for the elementary and secondary panels represent recommended dates for all schools in the Board (Appendices C,D).

## Secondary School Examination Days

A maximum of ten examination days will be determined by each secondary school in consultation with the School Council, Superintendent of Education, and staff, to identify the most appropriate timeframes for the school.

## Year Round Alternative Schools

The Board operates four alternative programs in the Year Round Model: Year Round Alternative School; Etobicoke Year Round Alternative Centre; South East Year Round Alternative Centre; and North East Year Round Alternative Centre. The program is based on quadesters and students study throughout the entire calendar year. The timetable for the placement of PA days and holidays has been confirmed by the

Principal of Secondary Alternative Schools and Year Round Schools, in consultation with staff and community (Appendix E).

## **Consultation**

In addition to each member of the School Year Calendar Committee consulting with group represented, PIAC and Student SuperCouncil have reviewed this document.

## **Consultation with Other Boards**

Staff has consulted with the Toronto Catholic District School Board (TCDSB), as well as the Durham, Peel and York Region District School Boards, to ensure the most consistency possible with their School Year Calendar plans. It is important that the Board align the calendar as much as possible with the TCDSB because of shared student transportation services.

## **Implementation and Review**

Students, parents and staff will have sufficient notice to make plans for the 2019-2020 school year following Ministry approval.
