- \*Varied and extensive athletic and co-curricular activities
- \*Student mentoring and credit peer helper courses.
- \* Strong Guidance, Careers and Coop Programs
- \* Curriculum supportive teaching Library

Agincourt Collegiate Institute's school motto is:  
AD OMNIA PARATUS "Prepared for All Things"

At Agincourt Collegiate Institute, an experienced and dedicated staff and a responsive student body contribute to the achievement of high standards in both curricular and extra-curricular programs. Students are encouraged to be caring, appreciative and accepting of each other's shared aspirations as well as cultural differences.

Students have the opportunity to participate in leadership activities such as athletics, clubs, music ensembles, student leadership councils and student mentoring programs. Recognition and Awards Assemblies, Principal's Scholars, and Student of the Month celebrate student success.

Parents, staff and students work together to build a safe and caring environment and to foster pride in our ACI traditions.

### Alumni and Parent Councils

Agincourt Collegiate enjoys an ongoing and supportive relationship with the Agincourt C. I. Alumni Association. Each year this organization adds voice and face to the school's Remembrance Day observances. In addition, the Alumni provide several generous scholarships to graduates attending post-secondary institutions. Our partnership with parents includes a Traditional School Council, Chinese Parents Council and a Music Parents Council. We are also fortunate to have a supportive community network which offers students coop and volunteer opportunities.

## The Most Music

Imagine a school where students earn a total of 900 music credits each year! Perform in our strings and wind ensembles. Join our Jazz band. Become part of our choir and Madrigal Singers.

Our students win many awards at numerous Music Festivals, including Kiwanis. We have traveled to Europe, Chicago, Florida and New York.

## Environmental Leadership Course

Global warming. Depleted rainforests. Water shortages. Species extinction. What use would leadership education be today without a focus on the environment? Enroll in our new environmental leadership course and participate in trips to the Kearney Outdoor Education Centre and, as a senior student, a 10-day excursion to Quetico Provincial Park.

## Languages

French studies can help you attain the very best positions in many Canadian companies and government organizations. The University of Ottawa grants scholarships for French Immersion studies. We offer Extended, Immersion and Core French courses to help you achieve these goals.

Also, take Spanish, one of the world's most widely spoken languages.

## Test Drive Potential Careers

Our counsellors and coop teacher, through career and technology fairs, work placements, mentorship programs and personal career counselling, help you prepare for life after high school.

Gain valuable work experience skills and test future careers through Coop placements with our many community partners: YMCA, RBC, law firms, Toronto Police, TTC, etc.

## Additional Features

- Amongst safest schools in Toronto
- Comprehensive computer labs
- Large Student Resource Area
- Varied Student Success Initiatives
- Large teaching Library
- Sports field, running track, 5 gyms
- Autism Program

## Student Life - Where You Belong

We believe that students helping students fosters a sense of family and belonging in the school. To this end, our senior students serve as peer helpers in our junior classrooms through the Peer Helping Credit Course and through our Peer Tutoring Program. Our Mentors welcome newcomers to ACI and run a fun and information filled Orientation Program for our incoming Grade Nine Students.

Our students have a tremendous spirit of giving. Our annual Christmas cheer campaign raises over \$6,000 for local charities. We are building a school in China through the Brick by Brick project. Students also organize disaster relief funds campaigns.

Students can participate in art exhibits, drama productions, music concerts and Science, sports, business and technological competitions. Other activities include the Environmental, Stage Crew, Newspaper and Yearbook clubs, the African-Caribbean Council, the Tamil Students Association and Teens for Christ.

Our Agincourt Lancers compete in football, basketball, volleyball, soccer, field hockey, golf, tennis, flag football, curling, cross country, rugby, lacrosse and Ultimate Frisbee.

Student life at Agincourt is truly rewarding!

## What Sets Us Apart

We are a desirable destination for students because of our strong reputation for high academic standards, combined with an inclusive and supportive environment that helps students of all backgrounds to succeed. Almost 80 percent of our Grade 12 students advance to post-secondary education.

We also offer strong remedial programs for students who run into difficulties. Our student success initiatives identify students who are at risk and staff, with the student, creates a plan to help set goals and attain success.

At Agincourt, we are particularly proud of our Student Government. Students, through the Leadership Councils, participate in the development of school initiatives. Special leadership activities train our students to become active participants in both their school and their community-at-large.

Recognizing student achievement is important. We celebrate student of the month selections and our principal's scholars recipients at a reception. Many of our graduates receive post-secondary scholarships through the generosity of our community partnerships.

## Parent and Community Engagement

Please visit our school web site: [schools.tdsb.on.ca/agincourtci](http://schools.tdsb.on.ca/agincourtci)  
Among the largest and most influential of our community partners is our Agincourt Parent Council. The ACI Parent Council welcomes parents to join us at our meetings on the last Wednesday of every month starting at 7 p.m. in the Library.

The Agincourt Music Parents Association is a "vital force" in support of our co-curricular music program. Please join them on the first Monday of every month at 7:30 p.m. in the staff room. We are fortunate to enjoy the support of a third parent group, the Chinese Parents Advisory Council. Monthly meetings are held on the second Tuesday of each month at 7:00 p.m. in the Library.

## TDSB - Better Schools. Brighter Futures

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
