## *Interesting Feature*

### **French Immersion and Extended French Programs**

We offer core French and Spanish, as well as an extensive Extended/Immersion French program. Gain a deeper understanding of your own country and of other peoples and cultures. Experience language, firsthand, via our exchanges to France and Costa Rica.

### **SHSM/Dual Credit**

Register for the Environment or Non-profit Specialist High Skills Major program and gain career related skills and knowledge. Obtain a college credit through the Dual Credit program.

### **Victrix, Sapientia, Fortunae (Knowledge Emerges Victorious Over Luck)**

Welcome to Malvern, one of Toronto's oldest high schools, serving the Beach community for over 110 years. We offer a wide range of programs in a non semester format. Malvern also offers extensive extra-curricular programs in visual arts, drama, music and athletics. We are well known for our athletic and academic achievements, with numerous championship teams and prestigious scholarship winners. Educational tours and exchanges foster community relationships, both local and abroad. Enroll in Malvern and enjoy a wealth of opportunities to participate in our dynamic learning community.

### **Drama, Music, Visual /Media Arts & Technology**

Hone your skills and gain extensive practical experience in studio & performance settings. Our drama students present several student-run productions each year. Visual arts students create works in drawing, painting, print making & sculpture. Media arts students learn animation, digital music & video techniques.

Tech students learn all aspects of design, manufacturing, drafting techniques, engineering & architectural design using various materials and equipment. Our choirs/bands perform at public events & tour in Canada & the U.S.

## English

In addition to compulsory English courses we offer numerous options, including our Enriched English in Grade 10 and 11, Grade 11 Media Studies and Grade 12 Studies in Literature and Writer's Craft. Over 90 per cent of our students successfully complete the Literacy Test on their first attempt.

## Canadian and World Studies

Core courses in Geography, History and Civics enhance students' understanding of Canada and our world while developing research, critical thinking and communication skills. Senior courses include: Travel & Tourism, World Issues, American History, World History, Economics, Law, Politics, Introduction to Anthropology, Psychology & Sociology and Philosophy.

## Mathematics and Science

Math & Science are everywhere! More than just numbers and knowledge; Math & Science are a way of thinking. Be observant, be creative, be thoughtful. Math & Science can literally take you to the Moon or help you better understand the world closer to home. At Malvern, you will learn how Math & Science connect to engineering, business and even the arts.

## Health and Physical Education

Our Healthy Active Living courses in grades 9 through 12 encourage a lifelong pursuit of physical activity and develop skills required to lead a healthy lifestyle. Students may choose to focus on improving their personal fitness & knowledge of training by opting for Personal Fitness Activities in grades 11/12. Exercise Science prepares students for university programs.

## Student Life - Where You Belong

The Black Knights have over 100 years of athletic excellence and continue to be a vital component of Malvern's appeal. Join a team: skiing, baseball, basketball, cross-country running, field hockey, football, golf, hockey, lacrosse, rugby, soccer, softball, swimming, synchronized swimming, tennis, track and field and volleyball. Join our Math, Chess, Cheerleading, Conseil Francais, Language Council, Christian, Robotics, Science and Yearbook club to name a few. Commit to social justice in one of our groups, including Human Rights club, Environment club, and Peer Leaders. Our students are involved in a large number of charitable events, including the Vow of Silence and funding for a school and water well in Sierra Leone. In May 2009, Malvern C.I. was presented with the Anne Hope Award for Work in the Field of Human Rights. As a designated Platinum Ecoschool (2010, 2011, 2012), we are aware of our impact on the natural world. Student leadership is the key to successfully reducing energy use, diverting waste and reducing paper use. Join us as we work to make Malvern more green.

## What Sets Us Apart

With 8 major councils and over 20 clubs operating at Malvern, every student can participate in extracurricular programs. A Grade 9 Co-Curricular Fair gives our new Malvernites an opportunity to learn how they can become involved beyond the classroom. Each year our teams win major regional and city-wide championships and go on to represent Toronto at the provincial level. Our athletes, parents and coaching staff are dedicated to the development and continued success of our athletic programs at Malvern. Join one of our arts clubs: Media Arts, Concert Band, Concert Choir, Jazz Choir, Jr and Sr Stage Bands, Girls' Choir and String Ensemble. Perform in the Sounds of Toronto Concert at Massey Hall, or participate in our exciting Music trips. Get involved in our drama productions, Fashion Show, Valentine's Day dance, Boardwalk Ball or one of many assemblies during the school year. Fun fundraisers contribute to scholarships, as well as buy music instruments. Our arts students hold an annual exhibit open to staff, students and parents.

## Parent and Community Engagement

Malvern maintains strong links with its alumni group: the Red and Black Society. This group meets regularly and is involved with many initiatives. Malvern works with a very supportive parent community who contribute directly to the operation of the school through the Malvern Home and School Council. Parents support the school by funding awards for commencement and attending a variety of school activities. The Music Parents' Council also meets monthly facilitating fundraisers and events. A safe, inclusive & equitable learning climate is essential if students are to succeed in school. Malvern's School Climate Council is a community based team that includes parents, students, staff, administration & community organisations which examines & responds to major issues regarding Malvern's social climate with a focus in areas of safety, equity, inclusion & respect.

## TDSB - Better Schools. Brighter Futures

Imagine a TDSB where all schools share a common core set of characteristics. They are community-driven and focused on teaching and learning. Students and parents have a wide variety of opportunities and there are enough students in every school to increase program choices.

Imagine there is a clear focus on achieving student success and every student is engaged, has a voice, access to a caring adult and the opportunity to develop their full potential.

Here at the TDSB our focus is on student achievement, parent and community engagement and financial stability.
