

Grade 7 and 8 Summer School

Join us!

July 4 - 27

9:00 am - 12:00 pm

STEAM LEARNING: WHAT IS IT?

Science
Technology
Engineering
Arts
Mathematics

Inquiry and project based learning
21st Century Learning

Do you want your children engaged in learning this summer when their brains would normally be inactive?

Do you want a free, project-based learning experience that will engage your child with team learning,

Do you want your children to strengthen their literacy and numeracy learning from the previous school year and better prepare them for the upcoming grade?

SUMMER SCHOOL IS THE ANSWER!

Milne Valley Middle School
