Toronto, ON
MIW 3G1
Grades 9-12

Vision	Bethune has a reputation for academic excellence. Students are offered the opportunity to excel in Math, Science, the Arts, Business, Computer Science and Technology. Courses in the Social Sciences and English give students a solid background in the liberal arts and prepare them for post-secondary education. Newcomers are supported in ESL classes and in programs outside the classroom that ensure they are involved in the school community. Bethune maintains close relationships with elementary schools through mentoring programs in Music, Robotics, Drama, Visual Art, Technology and Bethune's Eco-club. Bethune also offers enrichment (Stellar) and Advanced Placement courses in Math and Science.
