RE: ENROLMENT IN FRENCH IMMERSION/EXTENDED FRENCH PROGRAMS: IMPROVING STUDENT SUCCESS

The following charts provide the latest information on the enrolment status in French Immersion and Extended French programs for September 2008. These programs include Early Immersion, Middle Immersion, Junior Extended and Intermediate Extended. It should be noted that the enrolment situation changes daily depending on parental decisions regarding residence and registration of their children.

In the attached charts, *Registrations* refers to the number of students whose parents have accepted a registration in the program; *Waitlist* refers to the number of on-time, in-district students awaiting admission to a program; and *Redirection* refers to the offer of a placement of a program closest to the student's home school.
