Comment letter to the TDSB

RE: amended Equity Policy

The Parent Involvement Advisory Committee (“PIAC”) wishes to advise the Toronto District School Board (“TDSB”) of its intention to depute at the May meeting of the TDSB Governance and Policy Committee with regard to amendments to the Equity Policy (P037) being tabled at that meeting. Our deputation will among other things request the TDSB to postpone adoption of the amendments until after the current Equity Task Force consultations and subsequent TDSB discussion are concluded. This will allow any further changes to the Equity Policy arising from that work to be included in a single set of amendments, to be considered and adopted in a single process that is both transparent and understandable to the TDSB’s various constituencies, and specifically to the parent community that PIAC is mandated to be involved with.
