Dear Child Care and BASP Colleagues,

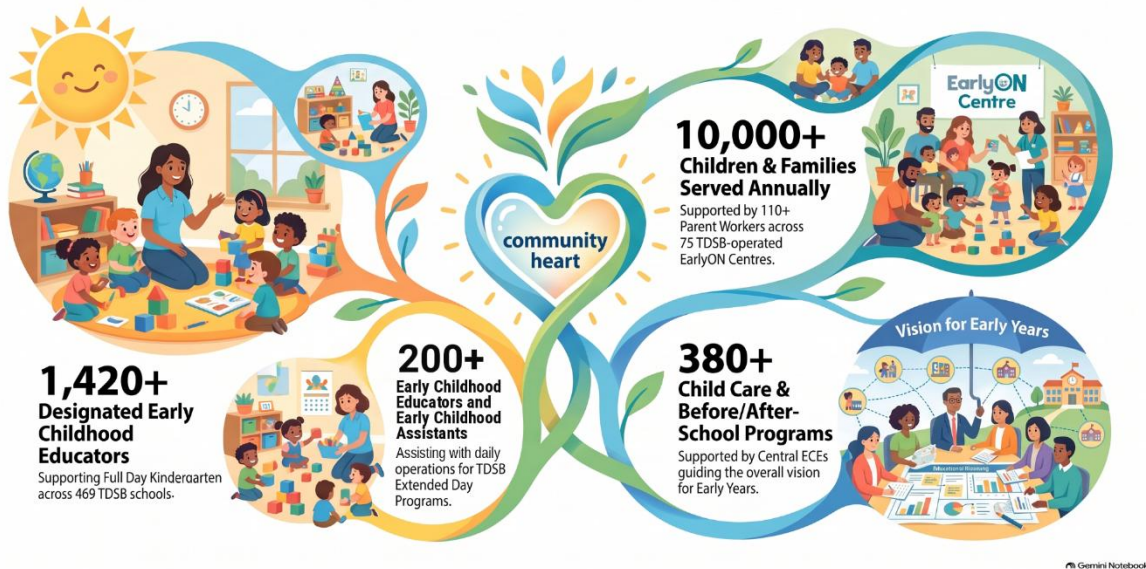

On behalf of the Toronto District School Board, we would like to take a moment to express our sincere gratitude and recognition of the valuable contributions of Child Care Workers and Early Childhood Educators on the **26th annual Child Care Worker and Early Childhood Educator Appreciation Day**, recognized on October 21, 2026.

Research affirms the importance of high-quality early learning and care in supporting children's early and lifelong development. As stated in the TDSB's [Early Learning and Care Policy](#), we recognize the critical role that the early years play in a child's growth, well-being, and future learning.

Registered Early Childhood Educators and Child Care Workers are at the heart of quality early years programs and are vital to the success of early learning and child care systems that support children, families, schools, and communities. Your expertise, dedication, and commitment help create caring, inclusive, and engaging learning environments where children can thrive. And for this we thank you.

The below infographic highlights the Early Years Educators and important programs they deliver and support for children and families across the TDSB.
