Dear Child Care and Before- and After-School Program Colleagues,

We hope you and your staff have enjoyed the summer with the children and families in your programs. With the end of summer break upon us, we wanted to take a moment to connect with you regarding the return to school in September and share a few staffing updates.

This year Labour Day is Monday, September 5, 2022 and all TDSB schools and buildings will be closed. All child care and before-and after-school programs (BASP) may resume full day operations on Tuesday, September 6, 2022. The first day of school for the 2022-23 school year is **Wednesday, September 7, 2022**.

As lease holders with the TDSB, all BASP operators have full access to shared space classrooms on the Tuesday, September 6 PA Day from 7am-6pm. For those providing BASP in shared space classrooms, we suggest connecting directly with the school Principal and classroom teachers to share information about your planned program operations on this date.

For further information about all upcoming PA days, holidays, and school closures, the [2022-23 school year calendar](#) is now available on the TDSB Website. TDSB Child Care Services will continue to post all updates and information shared with our partners on our [website](#).

As you may be aware, Liz Hoang has been off for the past year on sabbatical. Upon her return on September 1, 2022, Liz will be stepping into the role of Interim Senior

Policy Advisor/Child Care Manager. Nadejda (Nadie) Lekosky will remain as TDSB Child Care Services Manager in the interim.
