

August 27, 2025

Happy Summer from TDSB Child Care Services.

Dear Child Care and BASP Colleagues,

As the 2024/25 school year comes to a close, we would like to take a moment to thank you for your continued partnership and support of our current and future TDSB families. Your ongoing commitment to providing such an essential service for families, and responsiveness to changing community needs, is appreciated.

We know that while some of you will be wrapping up operations for the school year, many of you will be ramping up to provide fun and exciting summer programs. As a reminder, the TDSB Child Care Services office will remain open over the summer so please feel free to reach out to our team should you require any support.

Have a wonderful Summer!
