Sent on behalf of Central Programs Admissions Office – French Immersion

Dear Colleagues and Community Partners,

The Toronto District School Board (TDSB) would like to share some information with you and your families about Early French Immersion. The entry point to Early French Immersion for September 2027-28 school year is Junior Kindergarten.

The application to the Early French Immersion program will remain an online process managed by the Central Program Admissions Office and applications must be completed online between **November 2 and November 27, 2026**. Currently, an offer of placement in the program (**not** a specific school) is guaranteed to all eligible on-time applicants. Families with an older sibling currently in an Early French Immersion program at the same school are still required to complete an online application for the new student. For more information, please visit: [Application Early French Immersion](#).

Please find a [poster](#) and [flyer card](#) with QR code. Feel free to print and display in prominent and visible area(s) of the school community or share with community partners (e.g. community centres, faith-based locations, gyms, etc.) where permissible.

At any time, please visit the [TDSB French Language Programs webpage](#) to view a [video](#) that provides information about the TDSB French Language programs as well as the application and placement process in the Early French Immersion and the Middle French Immersion programs. More information about the Early Immersion Program is available in [22 languages](#), or view the [application video](#).

Any inquiries may be directed to FrenchApplications@tdsb.on.ca.

With thanks in advance for your continued partnership.

Kind regards,

French Applications
