Dear Before- and After-School Program Colleagues,

As we approach this time of year, many of you may be reviewing your BASP waitlists and beginning to plan for the upcoming summer and next school year.

If you are considering expanding your BASP or making changes to your leased rooms, please connect with your School Principal and Early Years Coordinator as early as possible to discuss room options.

Once rooms have been selected, please work with your Early Years Coordinator to submit a Space Request Form to update your Lease Agreement.

Space Request Form deadlines:

- **March 31, 2026** — for changes effective **July 1, 2026**
- **May 31, 2026** — for changes effective **September 1, 2026**

The Child Care Services Team is always happy to support increased access to care for children and families. Should you have any questions about this process, please do not hesitate to connect with our team.
