Good evening Child Care and Before- and After-School Program partners,

As the City of Toronto continues the snow removal process due to today's storm, they have declared a Major Snow Storm Condition and Significant Weather Event. As the cleanup will take multiple days, the TDSB, in consultation with the City of Toronto, and together with the Toronto Catholic District School Board, has made the decision to **close all schools, administrative buildings and sites to students, most staff tomorrow – Monday, January 26.**

During tomorrow's closure, schools will also be closed to all child before and after school programs. Please ensure you connect with the families of your programs accordingly.

We recognize that these decisions can have a significant impact on thousands of families across Toronto and are not taken lightly. We felt it was prudent to make this decision given the ongoing snow and necessary clean up, with the safety of our families and staff as our top priority.

Thank you for your ongoing support and understanding.
