January 26, 2026

Dear Child Care and Before- and After-School Program Partners,

As you know, cleanup efforts continue after this weekend's storm. TDSB Facility Services staff, along with our contractors, have been working steadily to clear away snow at our schools and administrative sites.

Thanks to this hard work, **all TDSB schools will be open to students and staff tomorrow – Tuesday, January 27, 2026. Child care and BASPs in TDSB schools may also resume normal operations tomorrow.** While significant progress has been made to prepare our schools and sites for reopening, there are a few important considerations for families, as snow removal and clean-up continue.

While conditions will vary across the city, it is possible that sidewalks, parking lots and/or walkways around our schools and sites may be difficult to navigate given the significant amount of snowfall and the ongoing TDSB and City of Toronto snow clearing operations.

With that in mind, we would suggest giving yourselves some extra time when arriving at school in the morning. School bus delays are also possible as the plowing of local streets continues.

We want to sincerely thank our staff and contractors who have been working throughout the weekend and today to clear as much snow as possible and ask for your continued patience as the TDSB and City of Toronto does its best to clear the snow in the days ahead.

Sincerely,

Child Care Services
