Dear Parent/Guardian,

This year your daughter has been selected to be a part of the Humber Summit *Sisterhood* Program. This program is a mentorship opportunity where students will meet on a weekly basis with teachers to discuss issues that are relevant to them. The girls will have the occasional after school meeting as well during their lunch period. Fortunately, we have six teachers who will be mentors in this year's program; each student will be attached to one of these mentors.

In addition to this being a mentorship opportunity, the members are placed in a leadership position within the school. In previous years we have participated in the school's Peer Mediation program, attended youth symposiums/conferences, and volunteer opportunities such as the Daily Bread Food Bank. The program is most effective when we have the support and participation of the parents. \

We are excited about this year's group. If you have any questions, please direct your calls to **Mentor Name and telephone number**.

Sincerely,
