NOTICE

Learn4Life to reduce the printing and distribution of its printed copy brochure in the next two years.

The Learn4Life Team has made the decision to gradually reduce the printing and distribution of its Learn4Life brochure. While many learners have grown accustomed to receiving our brochure in the mail, the growing shift to online accessibility and our commitment to reducing our carbon footprint has made us rethink on how to best communicate with our learners in the future.

In the next two years, we plan to (subject to change):

- (1) Replace our mailed brochure with promotional flyers or postcards.
- (2) Limit print brochures to be made available only at libraries, community centers, TDSB administrative offices, and TDSB schools. In the next two years, we plan to (subject to change):

Where can I find the brochure moving forward?

The Learn4Life brochure will always be available online at www.Learn4Life.ca. It will also be available in a limited number of libraries, community centers, TDSB administrative offices, and TDSB schools (subject to change).

How can I be updated on when a new brochure will be posted on your website?

Subscribe to our e-newsletter to receive Learn4Life updates, news, and registration information by visiting www.Learn4Life.ca.

It was the best advice I took."

Online Fitness

"I'm glad I decided to sign up for 2 sessions of Fitness classes, and happy that I'm in your classes. It has helped me gain muscle strength to keep my knee joint pain under control. I walk better, don't need to use the knee support daily, and take less pain medication. The options of sitting and standing exercises are good for gaining balance and control. And, of course, I enjoy exercising to your choice of music!"

Online Spanish Beginner Level II

"What a wonderful class you held last night. Being a retired language teacher and an interpreter, I am very picky about my teachers and you hit the nail on head. Upbeat, excited, fun and above all determined to meet the needs of her students. I feel very lucky to be in your class and to know how much I'm going to learn with you. I learn languages quite quickly and that is why I didn't take level 1. Thank you again for an amazing introduction."

"I would encourage anyone to take painting classes with the TDSB, I have learned so much, the teachers are excellent and it is a great way to continue learning and enjoying life."

-Irma

"I've been taking Chinese Brush Painting classes with Wen for about 5 years. All in all, I can really see the improvement in my work over the years, and though I'll never be an artist, I'm very motivated to continue to learn. What more can you ask of a teacher? The fact that she's a wonderful artist herself is icing on the cake."

-Marilyn

"Thank you very much for your nutrition course. You were able to provide us with much information, via written text and videos. Throughout the sessions, you kept encouraging us to "act" upon the information, while we try to become more knowledgeable and more healthy!
