- The Board at its November 23, 2018 meeting decided that the Director present a report on appropriate methods to enhance the existing process for the development of the SSON and that the Parent Involvement Advisory Committee and other relevant advisory committees be consulted on ways to improve the school statement of needs process and that information also be reflected in the report.

School Council Chair E-mail Activation

- TDSB has established school council e-mail accounts for school council chairs/co-chairs. This shared account is to be activated by the school even if the council has already established its own external account. The TDSB account enables the council chair to receive valuable school council related information and events from the Board and the Parent Involvement Advisory Committee (PIAC). Regulation also requires that the Board post the School council chair contact at the local

In addition, the account enables councils to gain access to grant opportunities, and other school council chairs within the Board. With a new password manager function and an annual activation period, accounts are now easier to access and manage. Councils should contact the Principal to get the account activated.
