PILOT VOTING PROCEDURE AT PIAC MEETING ON TUESDAY, MAY 18, 2021

The PIAC Executive Committee met on May 11, 2021, discussed and decided to pilot the following voting procedure. Building on the efficiencies of previous administrative changes to PIAC meetings (including Declarations of Membership prior to the meeting through Google Forms and Consent Agenda for approval of the agenda and previous meeting minutes), the PIAC meeting on Tuesday, May 18, 2021, will have the following voting procedure:

- After a vote has been called for on **a motion that does not involve amending bylaws, change to meeting procedures, or budget allocation and it has been seconded the following steps will occur:**
 - i. PIAC Co-Chair will ask if there are any members that wish a recorded vote.
 - ii. If three (3) or more PIAC members request a recorded vote, then a recorded vote will occur (i.e., following the current roll-call voting procedure of calling on Wards one at a time for their vote).
 - iii. If less than three (3) PIAC members request a recorded vote, the motion is considered passed by unanimous consent.
- After the PIAC Meeting on May 18, 2021, feedback from PIAC membership about this pilot voting procedure will be sought through a Google Form.
