This 9-week program (March-June) aims to:

- Connect Black youth with industry executives and professionals in the Music Business.
- Provide mentorship by way of professionals in the Music Business.
- Support the development of transferable skills that will facilitate access to greater opportunities.
- Educate Black youth (Gr. 11 & 12) about career opportunities in the music industry (e.g. content creator, data analyst, royalty administrator, marketing manager, etc.).
