

Additional (AQ) Course

Mentoring Spring Session

This course provides you with the opportunity to explore the theoretical foundations associated with mentoring and develop a deeper understanding of the mentoring relationship. You will become increasingly aware of the needs and gifts of beginning and student teachers alongside your own needs and gifts as teacher-mentors. You will participate in an adult learning model, where you'll work as a community of learners to develop technical, adaptive, and leadership skills in mentoring.

**Dates:**

April 7 – June 13, 2025
125 hours

**Tuition**

\$450 for TDSB Educators
\$650 for non-TDSB Educators

**Format:**

10 90-minute virtual synchronous classes on
Wednesdays from 6:00pm to 7:30pm and
