

Additional (AQ) Course

Teacher Leadership, Part 1

Spring Session

Teacher Leadership (Part 1) seeks to enhance candidates' professional practice, knowledge, and skills related to leading through equitable and ethical teacher leadership competencies. This AQ course is guided by three inquiry questions:

1. What is leading with equity and ethical teacher leadership?
2. How do I define myself as an equitable leader and an ethical teacher leader?
3. How can I grow as an equitable leader and an ethical teacher leader?

These inquiry questions reflect the theoretical, practical, and personal identity foci that are fundamental to support and inform effective professional knowledge and practice on the topic of Teacher Leadership.
