August 28, 2025

Dear Child Care and Before- and After-School Program Colleagues,

We hope you and your staff had an enjoyable summer with the children and families in your programs. With the start of school just around the corner, we wanted to take a moment to connect and share a few updates.

Labour Day and the First Day of School

Labour Day is Monday, September 1, 2025. The first day of school instruction for both elementary and secondary schools for the 2025-26 school year will be on Tuesday, September 2, 2025. For a full list of important dates, including PA days, holidays, and school closures, please refer to the [TDSB System Calendar](#) webpage.

More Care for Families in 2025/26

We are excited to share that through the development of new programs and the expansion of existing programs, this September over 900 children will have access to new child care and before-and after-school programs across the TDSB. We deeply appreciate the hard work and dedication of our partners who made this possible.

We invite you to visit our [Child Care and Before- and After-School Program Resources](#) webpage to access resources such as:
