Dear Community Advisory Committee Chairs,

I hope this message finds you well.

As you know, staff have been working continuously on the TDSB's safe return to school and virtual school plans. To focus on the start of the school year, a decision was made to postpone all Community Advisory Committee meetings until October.

At this time, all meetings will take place virtually. We are asking that you please reach out to your members to set up your first meeting on the planned dates that were set as of October.

Thank you for your understanding.

Sincerely,

A handwritten signature in black ink, appearing to be "KF".
