

Pathways to Public Health

Information Session: March 1 at 6 PM (virtual)

Please register at:

The Dalla Lana School of Public Health (DLSPH) in collaboration with the Centre of Excellence for Black Student Achievement supports Black-identifying TDSB students Grades 10 to 12 with their pursuit of careers and opportunities in public health and health systems. This 10-week program explores pathways into fields of health and health systems (e.g., Clinical Epidemiology, Health Economics, Social Epidemiology, Bioethics and Health Informatics, etc.). The program supports in developing life skills, a deeper understanding of public health concepts, and promotes ongoing mentorship with Black professionals.
