Pathways to Veterinary Medicine

Information Session

October 17, 2022 - 4:30 - 5:30PM

Register for the information session: https://bit.ly/VetMed2022

The Centre of Excellence for Black Student Achievement in collaboration with the Black Veterinary Association of Canada invites Black-identifying students in Grades 7 to 12 who are interested in career opportunities as Veterinarians or Veterinary Support Professionals (e.g., Veterinary Technologists, Animal Care Attendants, Animal Hospital Managers, etc.) to register for *Pathways to Veterinary Medicine*.

This 6-week program seeks to educate Black students on the various aspects of veterinary medicine. Students will receive mentorship, learn what veterinarians do, and explore career opportunities and admission requirements for veterinary colleges.
