+ 10 weeks Construction Training

Construction Newcomer Employment and Career Training (CONNECT)

The CONNECT Program is a FREE 26-week training program specifically developed to assist Newcomer clients who are interested in increasing their English language skills to gain full-time employment in entry level and general labourer construction positions.

This program is for newcomers with a minimum CLB language level 3.

This 26-week program also includes:

- ✓ Health and Safety Training, Life and Employability Skills (includes Guest speakers)
- ✓ Canadian workplace culture
- ✓ Help with finding and keeping a construction job

*Note: minor changes to curriculum schedule/outline may occur

Eligibility:

- ✓ Must be a client of Toronto Employment & Social Services
- ✓ 18 years of age or older
- ✓ Legally entitled to work in Canada

Space is limited!
