Changes to TDSB English Kindergarten Registration and Before-and After-School Program Interest Survey

Dear Child Care and Before- and After-School Program Colleagues,

As valuable members of our school community, we would like to share information about changes to TDSB English Kindergarten Registration and the annual Before- and After-School Program (BASP) Interest Survey for the upcoming 2025-26 school year.

Changes to when TDSB English Kindergarten Registration begins:

New this year, registration for all TDSB English Kindergarten programs will begin in January to better align with other system wide application processes. Families with children who will be four by December 31, 2025, can register their child/ren for Junior Kindergarten in September 2025 by visiting their local school and/or using our Online Registration System. For more information, please visit www.tdsb.on.ca/kindergarten.

Changes to Before- and After-School Program Interest Survey timelines:

To align with an earlier Kindergarten Registration, the TDSB will also be moving our BASP Interest Survey to January 2025. This survey supports the TDSB in determining if there is enough interest from families to explore developing a BASP in schools that do not already have a program. For more information, please visit www.tdsb.on.ca/BASP.

If you have any questions about the above, please connect with your school Principal about Kindergarten Registration, or our Child Care Services Team about BASP.

Sincerely,

Child Care Services
