

# Extended Day Program

## UNLOCK YOUR BEST SUMMER! TDSB Extended Day Summer Program

Get ready for a summer of fun and discovery! From **exploding volcanoes to building LEGO masterpieces, to discovering your inner artist**, we are turning up the fun for children (JK to Grade 6) this summer.

We don't just keep children busy, we spark their imaginations. Your child will build confidence, make new friends, and learn leadership skills through hands-on adventure, all in a safe environment led by TDSB Early Childhood Educators.
