Dear Community Member,

The Toronto District School Board's African Heritage (Black History) Month Volunteer Planning Committee (AHMVPC) creates meaningful learning experiences for students, staff, and our community.

Composed of TDSB staff and community members, the AHMVPC is dedicated to hosting a variety of initiatives annually to celebrate the rich history of the African Diaspora. Events and activities such as poster contests, conferences, and celebratory events are just a few of the initiatives hosted for students. Through these initiatives we cultivate creativity, preserve cultural traditions, and provide opportunities to build knowledge, skills and confidence to thrive. Further, through our Know Your Worth scholarship initiative, we offer financial support to Black students pursuing higher education.

While we do our best to provide an array of resources for students, our modest budget means that these offerings are limited. With your support, they can be enhanced and new learning opportunities introduced. This year's theme for African Heritage (Black History) Month, **"The Power of Us"**, focuses on Black Student Well-Being, building a sense of belonging, and celebrating Black Brilliance. We invite you to support Black excellence, Black education and Black empowerment by donating to **Know Your Worth Scholarship** or **African Heritage** that the African Heritage (Black History) Month Volunteer Planning Committee supports.

Donations of any amount can be made online and qualify for a tax receipt through TDSB SchoolCash Online. Instructions on how to make donations on SchoolCash Online are provided below.
