**Parents/Guardians of Children in Grade Six**

*You have a choice to make about French programming for your child.*  
Your child may begin an Extended French program starting in Grade 7.

**What is Grade 7 Extended French?**

Grade 7 Extended French programs are intensive French programs developed for students who do not speak French at home. They are designed to provide more experience in the French language than offered in the Core French program, but less than total Immersion. The Extended French program includes French and additional subjects taught in the French language.

Students enrolling in the Extended French program are expected to have successfully completed the Grade 6 Core French program. After Grade 8, students continue the Extended French program at designated secondary schools. Students who successfully complete the secondary program will receive a Certificate of Bilingual Studies in Extended French.
