Inspires You**

WELCOME MESSAGE

Moving to a new country like Canada is an exciting adventure filled with anticipations, challenges, and opportunities. Experiencing Toronto—Canada's largest city—while pursuing a world-class education at the **Toronto District School Board (TDSB)** promises to be one of the most rewarding times of your life. We invite you to join us as an international student at the TDSB, where you'll discover what truly inspires you!

Our mission is to empower all students to reach high levels of achievement and to develop the knowledge, skills, and values needed to become responsible, engaged members in a modern society. We take great pride in the academic excellence of our schools and students.

The TDSB has one of Canada's strongest international education programs. Our team of teachers, counselors, and support staff is attuned to the unique needs of international students and understands the adjustments that come with moving to a new learning environment. We are here to provide friendly guidance and support for both academic and personal matters. Our schools offer a wide range of academic courses and extracurricular activities designed to engage and inspire our diverse community of students from around the world.

At the TDSB, we are committed to helping you succeed academically and grow personally. We look forward to being a part of your journey!

International Students and Admissions Office

Toronto District School Board

TDSB IN NUMBERS

- ✓ 235,000 students, from kindergarten to Grade 12
- ✓ 100,000 plus adult learners
- ✓ 40% of TDSB graduates are Ontario Scholars
- ✓ 85% of TDSB graduates advance to university or college
- ✓ 473 Elementary Schools
- ✓ 110 Secondary Schools
- ✓ 1600+ international students from 50+ countries

The Toronto District School Board, serving Canada's largest city, provides students with a dynamic and inspiring learning environment. With convenient access to public transit and top-tier community amenities, it is an ideal place for education. Located in one of the world's most vibrant and cosmopolitan cities, Toronto invites students to experience a rich tapestry of diverse cultures, explore scenic outdoor spaces, participate in year-round festivals, and enjoy unique shopping and dining in its eclectic neighborhoods or along the picturesque Lake Ontario shoreline.

Toronto also offers high school students numerous volunteering and co-op opportunities with community organizations, businesses, and non-profit agencies. These experiences are especially valuable for international students aspiring to gain admission to competitive programs at Canada's leading universities and colleges.

- ✓ Headquarters of Canada's Largest Banks and Enterprises
- ✓ Home of Toronto Maple Leafs, Marlies, Blue Jays, Raptors, and Toronto FC
- ✓ Home to Canada's Best and Largest Museums and Art Centres

STUDENT VOICES

Jingxuan Liu, Gr.10

Home Country: China

School: Forest Hill C.I.

If I only have one sentence to describe my experience in Toronto, I would say: "Everyone is a leader, but everyone is united." This is because everyone here is unique and has his own leadership capability. However, we are not arguing about who is right or wrong. We are leading the group forward together. Everyone contributes his own skills and experiences to the group. Together, we are making the big family better.

Ludovica Savi, Gr.12

Home Country: Italy

School: Forest Hill C.I.

Studying in Toronto is a one-of-a-kind experience and has completely influenced the kind of person I am now. I came to Canada as an exchange student, and of course the first goal I had was to improve my English. The development in communication and understanding of the English language was just one of the positive effects of this experience. In fact, I became a completely independent person and learned to adapt to a completely new environment. The Toronto environment has allowed me to meet many new people who now have, and will always have, a special role in my life. All the results I have achieved have made me realize that I was extremely fortunate to have the opportunity to study in Toronto, and I would recommend a similar experience to anyone who has the opportunity.

Ryan Le, Gr.11

Home Country: Vietnam

School: Jarvis C.I.

Studying in Toronto is an amazing experience! No matter where you're from, you'll feel completely at home in this lively, diverse city that is home to people from all over the world. Toronto is a center for innovative research and technology, and its universities and colleges provide excellent education with various programs. Additionally, there are always events and activities on campus, such as student clubs, enjoyable gatherings, and activities that foster a sense of community and friendship. You can have the best of both worlds in Toronto, the ideal blend of vibrant city life and serene parks. If you choose to study here, you will be able to experience the rich and lively culture and receive an incredible education; that's what makes Toronto so unique!

Muhammad Shafique, Gr.12

Home Country: Pakistan

School: Jarvis C.I.

Joining Jarvis CI and the TDSB International student office has been a great experience for me. From the start, I felt welcomed by the supportive teachers. Jarvis is a school where students from many different backgrounds come together, making it easy to make friends and feel included. The school offers great classes and fun activities that helped me to learn and grow. The Guidance Counsellor for International Students has been so helpful throughout and supportive and Jarvis CI was wonderful and has given me many new opportunities like joining clubs and many more activities, and I am thankful for everything I've learned so far. It has been an amazing journey so far.

WHY STUDY AT TDSB?

As the largest public school district in Canada, the Toronto District School Board (TDSB) offers a world-class education experience for international students of all ages. Whether you're starting in elementary school, working toward a high school diploma, or preparing for post-secondary studies, TDSB has the programs and support you need to succeed in Canada's dynamic and diverse educational environment.

1. Academic Excellence

At the core of TDSB schools is a district-wide shared vision for learning. Learning by Design prepares our learners for a world in which they think creatively and critically, communicate skilfully, and demonstrate care for self and others. This vision guides an exceptional program that focuses on the learning, tools and structures needed to ensure that all of our students receive:

- ✓ Personalized learning and hands-on experiences
- ✓ The most choice and variety of academic and elective course options
- ✓ Caring and supportive teachers and staff
- ✓ The newest in modern facilities, design and technology.

2. Artistic Excellence

TDSB schools offer a broad range of hands-on courses in Performing and Creative Arts, as well as Design and Industrial Technology. Each school offers modern and fully-equipped studio facilities. There are numerous options for students to pursue their creative passions or try something new:

- ✓ Learn ceramics, sculpture, metalwork or jewelry making
- ✓ Write, direct or perform in dance, musical and dramatic productions
- ✓ Develop skills in photography, video broadcasting, auto mechanics or carpentry
- ✓ Create new fashions, specialize in pastry arts and baking, or design a robot
- ✓ Participate in a band or music festival in Canada or internationally

WHY STUDY AT TDSB?

3. Athletic Excellence

TDSB schools offer specialized classes in physical education and encourages all students to engage in active living. Students passionate about competitive sports with athletic talents are offered extensive opportunities to join a wide range of team events:

- ✓ Baseball
- ✓ Swimming
- ✓ Ice Hockey
- ✓ Basketball
- ✓ Rugby
- ✓ American Football
- ✓ Tennis
- ✓ Skating
- ✓ Volleyball
- ✓ Soccer
- ✓ Water Polo

4. Outstanding Outdoor Education Programs

The TDSB is committed to outdoor education and offers students one-of-a-kind “beyond the classroom” learning experiences that cannot be created inside a classroom. Outdoor education brings learning to life and connects students to the built and natural world around them. All activities are curriculum-based and customized to meet the different learning needs of students, including international students. Opportunities are available to students across the board through 11 programs at five overnight and five day centres. More information can be found at <https://schoolweb.tdsb.on.ca/toes>

WHY STUDY AT TDSB?

Four Day Centres

- ✓ Forest Valley Outdoor Education Centre
- ✓ Hillside Outdoor Education School
- ✓ Toronto Urban Studies Centre
- ✓ Warren Park Outdoor Education Centre

Five Overnight Centres

- ✓ Etobicoke Outdoor Education Centre
- ✓ Island Natural Science School
- ✓ Mono Cliffs Outdoor Education Centre
- ✓ Scarborough Outdoor Education School
- ✓ Sheldon Centre for Outdoor Education

5. Wrap around Support for International Students

- ✓ Our schools foster academic achievement, personal growth, and cultural exchange, with extensive support services tailored for international students.
- ✓ Highly experienced educators and support staff
- ✓ Dedicated team of Guidance Counsellors for International Students (GCISs)
- ✓ User-friendly application portal
- ✓ Full-fledged on-line ESL and Math assessment
- ✓ Focus on academic excellence of all students
- ✓ Professional youth workers supporting students' well-being and mental health

6. Pathways to Universities and colleges

The TDSB has been the biggest feeder of Canada's top universities and colleges, including University of Toronto, Queen's University, University of Waterloo, York University, Toronto Metropolitan University, McMaster University, Western University.

ELEMENTARY PROGRAM (KINDERGARTEN TO GRADE 8)

- ✓ **Immersive Learning in a Safe, Nurturing Environment:**
International students living with parents or custodians are welcome in any of our 473 elementary schools. School placement is based on the guardian's residential address.
- ✓ **A Focus on Academic Excellence and Personal Growth:**
From early education, students are immersed in an inclusive, engaging environment where they build strong foundations for future success.

All 473 elementary schools at the TDSB are open to international students and placement is based on the residential address of the parents or custodians. For more information on TDSB elementary schools, please visit: <https://www.tdsb.on.ca/Elementary-School>

Choosing the Right Schools

As you research various school options, it is essential to know that one of the biggest advantages to students arriving in elementary is gaining access to programs and schools that are inaccessible after Gr.9

- ✓ **All TDSB elementary schools are eligible for International Students**
- ✓ **Placement based on residential address of custodian/ legal Guardian**
- ✓ **Transition of Gr.8 students to high schools not limited to 30 secondary schools designated for International Students**
- ✓ **Current elementary students are eligible to all specialty and Central Student Interest Programs (CSIP) offered at TDSB**

SECONDARY PROGRAM (GRADES 9 TO 12)

TDSB offers internationally recognized high school education with a focus on preparing students for post-secondary education and career success. Our 110 secondary schools offer a wide range of academic, language, and elective courses, including Advanced Placement (AP) programs, arts, and extracurricular activities to meet the interests and goals of every student.

✓ **SHSM**

The Specialist High Skills Major programs offer students opportunities to complete the Ontario Secondary School Diploma (OSSD) while focusing on a specific economic sector and supporting transitions to college, apprenticeship, university and the workplace. 16 economic sectors are represented and all boards must have Ministry approval in order to offer a SHSM.

✓ **CSIP**

The Central Student Interest Programs are focused on the Arts, Math, Science & Technology (for examples TOPS, STEMs), Leadership and more! Applications open in November and are based on a lottery system. Additional fees may apply.

✓ **AP**

The Advanced Placement Program (AP) is a cooperative agreement between participating secondary schools and post-secondary institutions. AP courses permit you to undertake additional academic content as identified by postsecondary institutions.

✓ **IB**

The International Baccalaureate (IB) Diploma Program is a demanding twoyear pre-university course of study designed for highly motivated secondary school students. The International Baccalaureate program at the TDSB is a central student interest program that students can apply to in Gr.8 or Gr.9 and based on a lottery system.

✓ **Co-op**

Co-operative education involves partnership between education and business, industry, the trades and professional organizations with the purpose of extending learning opportunities beyond the traditional classroom. Co-op offers students an opportunity to earn high school credits through a course that integrates classroom theory with learning experiences in a workplace. Students apply and further develop skills related to a high school course and career area of choice.

School Name	Birchmount Park Collegiate
Grades Model	9-12 / Semestered
Enrolment	875
Address	3663 Danforth Ave, Scarborough, ON, M1N 2G2
Email	Birchmount@tdsb.on.ca
Website	https://schoolweb.tdsb.on.ca/birchmountpark/
History & Neighbourhood	Originally built in 1964, Birchmount Park C.I. is truly a community school, benefiting from superb sports facilities and links with Variety Village. We offer a full range of courses at each grade level that support all post-secondary pathways: apprenticeship, college, university and workplace. We are proud of the diversity of courses we offer our students. We support and encourage students to take responsibility for their own learning, to strive for excellence, to take pride in their accomplishments, and to develop their leadership skills in the broader school community.
Programs & Facilities	BEAP (Birchmount Exceptional Athlete Program) is a unique TDSB program that supports student athletes who are currently competing at provincial and national levels, to integrate academics with a rigorous training program. BEAP was created by Olympic discus thrower Ivan Pitaric and has been a very special part of Birchmount Park CI for the past 29 years. Students in the program are dedicated and willing to do the extra physical and academic work needed to achieve their sport and educational goals. Superb training facilities are provided at school as well as at Variety Village. Birchmount Park CI is proud of its rich athletic traditions and outstanding facilities.
Academics	SHSM - Manufacturing, Co-op, ESL, Birchmount Exceptional Athlete Program

Website	https://schoolweb.tdsb.on.ca/donmillsci
History & Neighbourhood	Don Mills CI is located in the Don Mills neighbourhood in Toronto. Opening in 1959, Don Mills Collegiate is an integral part of the Don Mills community. Groups actively seek out our exceptional facility. Whether it be our fields, pool, gymnasium or classrooms, we have some type of activity happening almost every day of the week, all year long. Our EcoClub and Green Industry students have worked hard to create inviting surroundings. We have created landscaped courtyards and breezeways featuring a koi pond and waterfall, with native grasses and tree plantings. We have also planted agricultural plots growing a variety of fruits and vegetables.
Programs & Facilities	In addition to our Collegiate program we feature Emerging Green Technologies, CyberARTs, Gifted and Dual-Credit programs. Our school is known for its strong math and science programs. We are consistently successful in math and competitions both locally and internationally. Don Mills is also in the process of building a new outdoor tennis court and athletic space, has a swimming pool, a weight room, and a spacious library

PATHWAYS TO SUCCESS FOR INTERNATIONAL LEARNERS AGED 18+

The TDSB offers the unique **Pathways to Success** program for international students aged 18-21 to complete their Ontario Secondary Diploma, upgrade grades, and fulfill university/college entry requirements. With flexible entry points through the academic year, this is your pathway to post-secondary success in Canada and Beyond.

- ✓ First public school board offering this unique university/college Pathway program
- ✓ Complete your Ontario Secondary School Diploma faster
- ✓ Four intakes throughout the academic year
- ✓ Upgrade grades for post secondary admission
- ✓ Post-secondary preparation and application support
- ✓ Study in 1 of 5 designated TDSb adult high schools
- ✓ English proficiency test preparation support

This program is specifically designed for students who are:

- ✓ Aged 18 and over and not eligible for the regular track high school program
- ✓ Independent, ambitious, and university-bound
- ✓ Meeting English language requirements: Have minimum IELTS score of 5.0 or ESLCO level or higher
- ✓ Seeking a fresh start

These students will be placed at one of the 5 adult schools:

PATHWAYS TO SUCCESS FOR INTERNATIONAL LEARNERS AGED 18+

School Name	City Adult Learning Centre (CALC)
Grades Model	Grades: 9–12 Quadmestered (4 semesters/year)
Enrolment	1500
Address	1 Danforth Ave, Toronto, ON
Email	CityAdult@tdsb.on.ca
Website	www.calconline.net
History & Neighbourhood	The City Adult Learning Centre (CALC), located at the intersection of Broadview Avenue and Danforth Avenue, has long served Toronto's diverse adult learner community. Housed in a historic building, CALC was once an elementary school before transforming into a vibrant adult learning centre. Situated in Toronto's Danforth neighborhood, known for its dynamic mix of cultures, restaurants, and community spaces, CALC provides easy access via the Broadview subway station, making it an accessible hub for students across the city. CALC's legacy and location embody a commitment to lifelong learning in a welcoming and bustling community.
Programs & Facilities	CALC offers adult learners a flexible path to completing their Ontario Secondary School Diploma and preparing for university or college. Designed to meet the needs of students requiring prerequisites for post-secondary education, CALC features four enrollment periods each year, allowing students to earn credits on an accelerated schedule.
Highlights & Extracurriculars	The quadmester system lets students achieve their diploma faster, setting them up for timely post-secondary entry. Experienced guidance counselors assist with academic planning and college/university applications, ensuring students are ready for the next step.
Academics	CALC offers a range of credit courses, including English, Math, Science, and Social Studies, to help adult learners complete their Ontario Secondary School Diploma and meet post-secondary requirements. With four intake periods annually, our flexible programs allow students to quickly gain the credits needed for college or university entry, supported by dedicated guidance counselors.
Clubs	CALC offers career-focused programs such as Career Connection/CanEX Co-op and Culinary Co-op Certificates, providing students with practical work placements to gain valuable job skills. These vocational programs help students integrate into the local community by offering hands-on learning experiences.
Teams	At CALC, students have access to a variety of enriching activities, including the use of our fully-equipped gymnasium and participation in intramural sports.

PATHWAYS TO SUCCESS FOR INTERNATIONAL LEARNERS AGED 18+

School Name	Yorkdale Adult Learning Centre (YALC)
Grades Model	Grades: 9–12 Quadmestered (4 semesters/year)
Enrolment	1,200
Address	38 Orfus Road, North York, ON M6A 1L6
Email	yorkdale@tdsb.on.ca
Website	www.yorkdale.net
History & Neighbourhood	Yorkdale Adult Learning Centre (YALC) has served Toronto's diverse adult learner community for decades. Located near Yorkdale Shopping Centre, the school is accessible via public transit and offers a welcoming environment for students seeking educational advancement. The vibrant North York setting reflects a dynamic multicultural community, enhancing the school's role as a hub for lifelong learning.
Programs & Facilities	YALC offers the EdVance program for learners aged 18–20 and the Adult Program for those aged 21 and over, focusing on completing the Ontario Secondary School Diploma (OSSD). With a quadmester system, students can earn up to three credits every nine weeks. The school provides support services, including pathway guidance and PLAR (Prior Learning Assessment and Recognition) to recognize previous education, enabling students to fast-track their post secondary academic goals.
Highlights & Extracurriculars	Flexible scheduling with four intake periods annually helps students complete credits efficiently. Dedicated guidance counselors assist with academic planning, career transitions, and post-secondary applications. The school emphasizes student well-being with programs like counseling, tutoring, and wellness initiatives, fostering a holistic educational experience.
Academics	YALC's curriculum includes core subjects like English, ESL, Math, and Science, designed to meet post-secondary prerequisites. The EdVance program emphasizes focused learning in small class sizes, supported by experienced educators. Special services include equivalency credit assessments and individualized education plans to ensure student success.
Clubs	Students have opportunities to participate in school-wide activities, including guest speaker events, assemblies, and field trips. These initiatives aim to build a sense of community and enrich the overall learning experience.
Teams	Physical wellness is encouraged through access to a fully equipped gymnasium and various fitness and intramural sports programs, promoting a balanced and healthy lifestyle for all learners.

PATHWAYS TO SUCCESS FOR INTERNATIONAL LEARNERS AGED 18+

School Name	Scarborough Centre for Alternative Studies (SCAS)
Grades Model	Grades: 9–12 Quadmestered (4 semesters/year)
Enrolment	1000
Address	720 Midland Avenue, Toronto, ON M1K 4C9
Email	scas@tdsb.on.ca
Website	www.scasonline.com
History & Neighbourhood	Scarborough Centre for Alternative Studies (SCAS) is a cornerstone of adult education in Scarborough. Located near the bustling Midland and Eglinton area, the school has served the community for decades, evolving to meet the diverse educational needs of Toronto's adult and young adult learners. SCAS benefits from its proximity to Kennedy Station, connecting students from across the Greater Toronto Area with ease. Its vibrant environment reflects Scarborough's multicultural richness and commitment to providing second-chance learning opportunities in a supportive setting.
Programs & Facilities	SCAS offers the EdVance Program (for learners aged 18–20), providing multiple paths to completing the Ontario Secondary School Diploma (OSSD). These programs are designed to accommodate diverse needs, from earning prerequisites for post-secondary education to upgrading professional qualifications. SCAS's quadmester system allows students to focus on fewer courses at a time and accelerate their learning journey. Specialized offerings include courses in ESL, Medical Office Administration, and Business.
Highlights & Extracurriculars	SCAS offers flexible scheduling with four annual intake periods, enabling timely credit completion. Students benefit from experienced guidance counselors who assist with academic planning, career transitions, and college or university applications.
Academics	SCAS offers a broad curriculum tailored to adult learners, including core subjects like English, Math, and Science, as well as specialized electives. The quadmester format allows students to quickly earn credits and meet post-secondary requirements. Dedicated support services, including pathway guidance and individualized planning, ensure students are well-prepared for future educational and career goals.
Clubs	SCAS emphasizes post-secondary and vocational readiness, offering programs to provide practical experience and prepare students for further studies and employability.
Teams	SCAS encourages physical activity and teamwork through access to a fully equipped gymnasium. Students can participate in intramural sports and wellness programs designed to promote a healthy balance between academic and personal life.

PATHWAYS TO SUCCESS FOR INTERNATIONAL LEARNERS AGED 18+

School Name	Burnhamthorpe Adult Learning Centre (BALC)
Grades Model	Grades: 9–12 Quadmestered (4 semesters/year)
Enrolment	600
Address	500 The East Mall, Etobicoke, ON M9B 2C4
Email	burnhamthorpe@tdsb.on.ca
Website	www.burnhamthorpe.org/
History & Neighbourhood	Burnhamthorpe Adult Learning Centre, formerly Burnhamthorpe Collegiate Institute (1956), became an adult education facility in 1998. Located in Etobicoke, it offers the EdVance program for young adults aged 18–20 to complete their Ontario Secondary School Diploma (OSSD) and prepare for post-secondary education. BALC serves a diverse community focused on achieving academic and personal goals.
Programs & Facilities	BALC offers the EdVance Program for learners aged 18–20, focusing on completing the Ontario Secondary School Diploma (OSSD) and preparing for post-secondary education. The quadmester system allows students to earn up to three credits every nine weeks, facilitating accelerated learning. Facilities include modern classrooms, computer labs, and access to resources that support both academic and personal development.
Highlights & Extracurriculars	BALC offers flexible scheduling with four intake periods per year, allowing students to complete their credits on time. Experienced counselors provide guidance with academic planning, career transitions, and post-secondary applications. The school also fosters holistic development through programs like the Daily Breakfast Program, Lunch & Learn sessions, and a variety of extracurricular activities that enhance student well-being and engagement.
Academics	The EdVance Program offers a comprehensive curriculum, including core subjects like English, Mathematics, and Science, tailored to meet post-secondary prerequisites. The quadmester format allows focused study, enabling students to progress efficiently toward their academic goals. Support services such as Prior Learning Assessment and Recognition (PLAR) are available to acknowledge previous learning experiences, aiding in the attainment of the OSSD.
Clubs	BALC encourages participation in various clubs and activities, including student leadership opportunities, cultural events, and special interest groups, fostering a sense of community, and enhancing the educational experience.
Teams	Students have access to fitness programs and intramural sports, promoting physical health and teamwork skills within a supportive environment.

PATHWAYS TO SUCCESS FOR INTERNATIONAL LEARNERS AGED 18+

School Name	Emery Adult Learning Centre
Grades Model	Grades: 9–12 Quadmestered (4 semesters/year)
Enrolment	600
Address	3395 Weston Rd., North York, ON M9M 2V9
Email	emeryadult@tdsb.on.ca
Website	schoolweb.tdsb.on.ca/emeryalc
History & Neighbourhood	Emery Adult Learning Centre has served the North York area for decades, offering a welcoming, diverse environment for adult learners. The EdVance program, catering to students aged 18–20, helps them earn their Ontario Secondary School Diploma (OSSD) and prepares them for post-secondary education. Located near major transit routes, the centre is easily accessible to students across the city.
Programs & Facilities	The EdVance Program at Emery is designed for young adults looking to complete their OSSD and transition to post-secondary education. Using a quadmester system, students can complete up to 12 credits per year. The program includes core subjects like English, ESL, Math, and Science, with specialized electives tailored for post-secondary pathways, supported by modern classroom resources.
Highlights & Extracurriculars	Emery offers flexible scheduling with four intake periods each year to help students stay on track. Guidance counselors assist with academic planning and career transitions, while extracurricular activities like cultural trips, sports, and clubs enhance student engagement and personal development.
Academics	The EdVance program offers a comprehensive curriculum that includes essential subjects required for post-secondary success. The quadmester system allows students to focus on fewer courses at a time, accelerating their academic progress. Emery also offers specialized tutorial support to help students overcome academic challenges and succeed in their studies.
Clubs	Students at Emery are encouraged to engage in a variety of clubs and activities that foster leadership, community involvement, and creative expression. These include student-led initiatives, cultural events, and academic competitions.
Teams	Emery promotes physical health and teamwork through intramural sports and fitness programs. Students can participate in a range of physical activities, helping them stay active and build relationships within the school community.

SHORT-TERM CULTURAL IMMERSION PROGRAMS FOR SCHOOL GROUPS

TDSB offers an exciting Cultural Immersion Program for international school groups (10 students or more). This program is ideal for students from Grade 6 to Grade 11 who want to experience Canadian education and culture firsthand.

- ✓ **Flexible Duration:** The program runs throughout the school year (except during Christmas holidays and March Break) and lasts from 2 to 12 weeks.
- ✓ **Authentic Canadian Classroom Experience:** Students attend classes alongside local Canadian students, gaining exposure to the same curriculum while participating in school activities, sports, and clubs.
- ✓ **Customized Programs:** Each immersion experience is tailored to meet the needs of the visiting group, ensuring a personalized and valuable cultural and educational experience.
- ✓ **Homestay Option:** Students can stay with local host families to deepen their understanding of Canadian culture.
- ✓ **Chaperone Requirement:** A teacher chaperone is required for every 10-15 students to ensure smooth coordination and student well-being.

PROFESSIONAL LEARNING FOR INTERNATIONAL EDUCATORS

TDSB's Professional Learning for International Educators program is designed for global educators, including faculty of education student-teachers, teachers, school administrators, and specialized educators. This immersive program offers participants the opportunity to engage directly with one of the world's leading public education systems.

- ✓ **Hands-On Learning:** Participants gain valuable insights into the Ontario education system by observing experienced educators in action and engaging in practical classroom experiences.
- ✓ **Personalized Mentorship:** Educators are paired with host teachers to guide them through the program, ensuring a deep understanding of instructional strategies and best practices.
- ✓ **Flexible Duration:** The program is available for a minimum of 2 weeks, including orientation sessions, field placements, and classroom observation.

Learners Aged 18+	C+ or 65%	ILETS Score 5, or ESLCO	Good	Yes

Fee Schedule for 2025-2026 School Year

Application Fee	\$400.00 CAD (Non-refundable)
Tuition	\$17,000.00 CAD for one academic year (10 months)
	\$8,500.00 CAD for one semester (5 months)
Emergency Medical Insurance	\$500.00 CAD for one academic year
	\$250.00 for one semester

COMPREHENSIVE HEALTH INSURANCE FOR INTERNATIONAL STUDENTS

At Toronto District School Board (TDSB), the health and well-being of our international students is a top priority. Our partnership with StudyInsured™ ensures that international students get the support they need.

Key Benefits for Students:

- ✓ **Custom Website:** A one-stop, customized website (www.studyinsured.com/tdsb) for direct-pay medical facilities, online claim submissions, and multilingual resources on travel and health plans.
- ✓ **Student Portal:** A user-friendly tool for students to easily view their coverage details and submit claims electronically—anytime, anywhere.
- ✓ **24/7 Emergency Assistance:** Worldwide emergency and security services to ensure health care is just a call away, whenever students need it most.
- ✓ **Stay Healthy at School Program:** Round-the-clock mental health support via phone and in-person counselling services to support students' emotional well-being.
- ✓ **Virtual Health Consultations:** Connect with licensed physicians through secure video calls, available 7 days a week for convenient and private care.

With StudyInsured™, students and parents can feel confident knowing they're supported every step of the way.

HOMESTAY & OUR COMMUNITIES

International students enrolled in the Toronto District School Board (TDSB) have the option to live with their parents in Toronto or with Canadian host families who provide support and care during their studies.

Living with a Canadian family offers an exceptional opportunity for students to enhance their cross-cultural communication skills, both at school and in global settings. To meet students' accommodation needs, the TDSB collaborates with leading homestay service organizations in Canada. All host families are carefully vetted through a thorough due diligence process, which includes interviews, reference checks, and criminal record checks. The selection process also involves careful matching based on the preferences and requests of both the student and the host family. Each placement is confirmed in writing, accompanied by a family profile, photographs, and a location map.

Students under the age of 18 are required to have a custodian residing in the Greater Toronto Area and are not permitted to live on their own. Those aged 18 and above have the option to live independently or with host families.

For younger students in Grade 8 and below, it is mandatory to reside with their parents or custodians.

Homestay Partners:

Canada Homestay Network | www.CanadaHomestayNetwork.ca

MLI Homestay | www.mlihomestay.com

Yes Homestay | www.YesHomestay.ca

JW Homestay | www.jwhomestay.com
